

GATE PASS / EQUIPMENT LIST
25G Holoscan Sensor Bridge (HSB) Demo
GE HealthCare (GEHC) Tech Day

Event: GEHC Tech Day
Demo: Altera Agilex 5 Holoscan Sensor Bridge - 25GbE
Carried by: Sahil Patni, FAE - Altera
Date: _____
Purpose: Customer technical demonstration / tech day exhibit

List of Items (Carry-in / Carry-out)

No.	Qty	Item Description	Remarks
1	1	NVIDIA Jetson AGX Thor Developer Kit	Host / GPU platform
2	1	AGX Thor power adapter + power cable	PSU for Thor
3	1	Altera Agilex 5 Modular Development Kit	Group A / 25GbE HSB board
4	1	Agilex 5 MDK power adapter + power cable	PSU for FPGA board
5	2	Framos FSM:GO IMX678 camera modules	MIPI camera sensors
6	2	MIPI camera flex cables	Camera to MDK
7	1	QSFP28 to 4x SFP28 breakout cable	25G Thor <-> FPGA link
8	1	USB Blaster / FPGA download cable	If packed
9	1	Keyboard / mouse / USB hub	If packed
10	1	HDMI / DisplayPort cable	If packed
11	1	Printed Holoscan guide / PPT handouts	Documentation
12	1	Laptop (optional support)	If carried

Notes

1. All items are for technical demonstration use only and will be taken back after the event.
2. No hazardous materials. Electronic demo equipment only.
3. Please print TWO copies: one for security gate, one for carrier retention.
4. Fill serial numbers below if required by security.

Serial Numbers (fill at gate if required)

Jetson AGX Thor S/N: _____

Agilex 5 MDK S/N: _____

Other: _____

Acknowledgement / Sign-off

Visitor / Carrier signature: _____ Date: _____

Security / Gate signature: _____ Date: _____

Host / Escort name: _____ Ext: _____
